

Character Area 11: Trenance Park

This sheet summarises the comprehensive assessments of character and regeneration opportunities in sections 5 and 6 of the report.

Character summary

The sheltered Trenance Valley provides the picturesque setting for a ‘sub-tropical’ park with gardens, boating lake, streamside walks and leisure and sports facilities. The Trenance railway viaduct crosses the valley and forms the focus of some stunning views, amid the mature trees.

Regeneration opportunities

- **Conservation repair and reuse of the ‘Heritage Cottages’**
The cottages are prime structures for conservation and reuse. They have the potential to add further vitality and interest to the park
- **Continued enhancement of the public realm**
Recent public art additions have added a new dimension to this important amenity

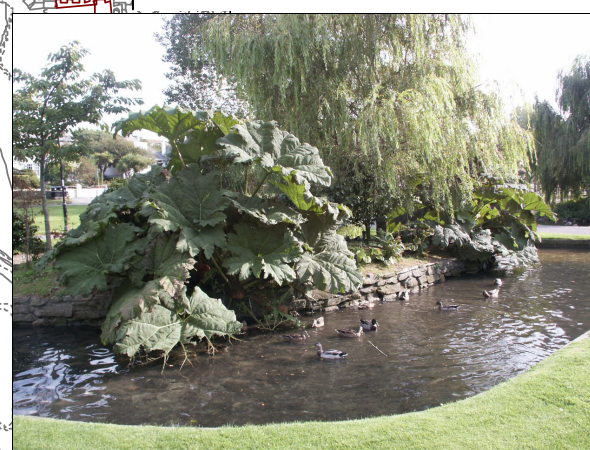

‘Sub-tropical’ planting of the flower beds

‘Heritage cottages’ originally a malt house, recently a museum. Now require conservation repair and reuse

Dappled shade of mature trees within the sheltered valley

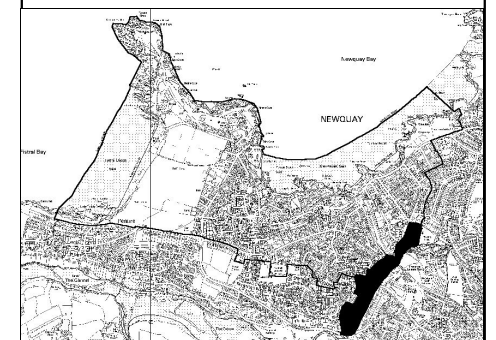

The boating lake. A wildlife habitat and important recreational amenity
